ACPAT[®]

Established 1985

SPECIALIST INTEREST GROUP OF
CHARTERED SOCIETY OF PHYSIOTHERAPY

LEADERS IN ANIMAL PHYSIOTHERAPY

Only highly qualified, chartered physiotherapists may undertake the specialist animal physiotherapy training in order to become an ACPAT member

ACPAT physiotherapists hold specialist knowledge in anatomy, physiology, biomechanics and pathology. All treatments are based on a peer-reviewed evidence base meaning each animal receives the very best in treatment and care

GOLD STANDARD THERAPY

VETS | SURGEONS | FARRIERS | PHYSIOTHERAPIST | OWNER | DENTISTS

ACPAT physiotherapists work as part of a highly-qualified and regulated multi-disciplinary team of professionals

ACPAT physiotherapists work only under veterinary referral meaning trusted and approved partners

Working with the owner, vet and multi-disciplinary team means animals get an improved, joined up service
